1. A term of weekly dance workshops

Whether you're looking to engage the beneficiaries of your charity, include or improve dance in the curriculum with a fun and engaging after-school club, wanting to achieve Artsmark status or have a specific goal, East London Dance can provide professional dance artists to deliver weekly dance sessions of an exceptional artistic standard and in the style of your choice. Book your 10-week termly sessions now.

2. Bespoke half-day dance workshops

East London Dance's half-day dance in-school workshops, lasting three hours, can help your students engage creatively with the curriculum, perfect their dance moves for a school performance or try out new styles or techniques ahead of dance exams. Workshops can also cover PSHE, PPA and after-school activity. They can also help your charity's beneficiaries, volunteers or staff with confidence building, physical and mental wellbeing and team building. Get in touch to discuss how we can help you meet your specific needs with one of our professional dance artists.

3. Creative dance consultancy for school curriculum

Are you looking to improve dance provision for your young people or charity beneficiaries? We can provide networks and connections with other organisations and support teacher or staff capacity to develop dance activity in your school or for your beneficiaries. Whether you're looking to gain Artsmark status; want to embed creative arts in the curriculum or your charity work; need advice writing the arts into your school's improvement plan; want to broaden your enrichment offer or have any other dance needs we are here to help.

EAST LONDON DANCE'S TAILOR MADE DANCE

DANCE PACKAGES FOR SCHOOLS & CHARITIES

4. Performances by one of our community groups

Are you looking for an impressive, high quality community dance performance on a limited budget? The East London Youth Dance Company and Leap of Faith, our over 65s group, are always ready and available to perform for between 5-10 minutes at your event. Full of east London spirit, book a polished community performance from our youth or senior dance groups today.

5. Solo freestyle performances

For a focused and dynamic showcase of dance for your event look no further than our solo freestyle performance package. Drawing from a vast network of professional dancers we can provide the perfect performer in the dance style of your choice, from hip hop to South East Asian and beyond. Negating the cost of choreography, the dance artist can present a high-quality freestyle performance of up to 15 minutes, or showcase a number of shorter performances that add atmosphere throughout the duration of your event.

6. Professional group performances

If you are looking for a thrilling, high impact dance performance to energise your event audiences then contact us today about booking one of the many professional dance groups in the East London Dance network. East London is home to some of the best dance crews in the UK, many of whom have been on national TV and specialise in hip hop; and we have strong working relationships with many of them. Whether you want explosive street dance or something a little different, we can provide you with a 5 - 10-minute performance to suit your needs and get family audiences on their feet.

7. Show & Learn: performance showcase with a dance workshop

Whether you are organising an open day or team bonding session, looking to engage your community in a fun activity or wish to inspire a large group to get active and involved in the arts, this is the perfect package for your organisation. We provide a trained choreographer and dancers who will present a brief performance showcase and then facilitate a dance workshop of the moves in their specific dance style. Satisfaction is guaranteed as your participants get to watch and then learn engaging dance styles and impressive choreography for all ages.
